

PLANT PASS PARTNER ACTION PLAN

Advocate

Be an advocate for Plant Pass in all interactions.
Support the Plant Pass team with advocacy initiatives.
Direct people to Plant Pass experts for more information.

01

Participate

Attend quarterly Plant Pass Partner meetings.
Attend training events for learning and to support others.
Actively participate in forums and events where possible.
Become a recognised Plant Pass expert.

02

Learn

Continue to learn best practice biosecurity.
Stay connected with NZPPI and the latest trends in the nursery sector.
Subscribe to relevant newsletter updates.

03

Support

Provide advice and direction to nurseries.
Help develop the Plant Pass knowledge-base.
Help develop the Quality Management System for Plant Pass Group members.
Assist nurseries to join Plant Pass and develop quality systems.

04
